

## 2012 Community Outreach Internship

### Objective:

The Hope Heart Institute's Community Outreach Interns are mission-focused individuals and have a passion to further heart-health outreach and awareness throughout local communities. Community Outreach Interns will work closely with The Hope's Education and Outreach Teams to further enhance and supplement current outreach efforts. Interns will also receive exposure executing large community outreach events and support The Hope's Public Relations and Development efforts.

### Responsibilities:

- Produce and execute community outreach events throughout King and Pierce counties with collaboration from our community partners
- Provide administrative support through a variety of social media campaigns, outreach plans, resource development and program evaluations
- Support and take on a leadership role throughout our major summer outreach events—ie. Taste of Tacoma, Bite of Seattle, Kirkland Uncorked
- Interface with Hope Heart staff, volunteers, community partners, and the public about heart-health as well as The Hope Heart Institute's mission and programs
- Support our Development team with summer development events and opportunities

### Qualifications:

- A strong interest in health or health education within a diversity of populations
- Flexible, adaptable and open to a variety of experiences
