KENT ELEMENTARY'S FIRST FAMILY HEALTH NIGHT HOSTED BY THE HOPE HEART INSTITUTE AND MOLINA HEALTHCARE

WHO: The Hope Heart Institute and Molina Healthcare will host a Family Health Night at Kent Elementary School to teach approximately 250 students and their families about nutrition and heart health. The evening will include dinner, games, prizes, health screenings and giveaways.

WHY: To encourage children and their parents to make healthy food choices during March's National Nutrition Month.

- Thirty-two percent of American children are overweight or obese.
- Only 2% of school-aged children consume the recommended daily number of servings from all five major food groups.
- Thirty-five percent of children watch 3 or more hours of television per day.

WHEN: **Thursday, March 3, 2011 | 5:45 p.m. – 8:00 p.m.**

WHERE: **Kent Elementary School | 24700 64th Ave. South | Kent, WA 98032**

VISUALS:

- Children and parents will learn how to read nutrition labels and “grocery shop” for healthy foods by Molina’s health educator.
- Nursing students will be on hand to do blood pressure screenings for parents.
- Children will prepare and eat healthy snacks together.
- Activity stations will help families assess their heart rate.

About The Hope Heart Institute

The Hope Heart Institute has a 50-year history of revolutionary medical advances and educational curricula that make heart disease - America's No. 1 cause of death - more treatable, beatable, and preventable. We are a Bellevue, Washington-based 501(c)(3) non-profit. For more, visit www.hopeheart.org.

About Molina Healthcare
